A fresh take on the '70s-era Singer/Songwriter 11 MP3 Songs POP: Piano, FOLK: Modern Folk Details: "Skybound" is the second full-length release from Philadelphia-born, Los Angeles-based singer / songwriter Faye Davis. Things are quite a bit different the second time around ... In the time between releases, Davis' sound and style have strikingly broadened and blossomed. With "Skybound" Davis reminds us of what the '70's-era singer/songwriters held to: criss-crossing genre and mood, blending classic sounds with those more fresh and current, singing with abandon one moment and with the bone-chilling touch of a feather the next... A vehement purist, Faye intentionally side-stepped the present industry standards of auto-tuned vocals and mechanically quantized production. The result is a beautifully pure work of art that sparkles with honesty and intriguing variety. Though not a concept album in the traditional sense, the title "Skybound" is a natural fit to both Davis' expansive voice and her songs' themes of growth, liberation, truth and transcendence.
