

Mp3 Greg Ware - Now & Then

[DOWNLOAD HERE](#)

Smooth jazz with a jolt of soul, amazing vocals also that soothe and comfort. Perfect for a romantic evening or a long drive or trip. Features some of the most talented musicians in the world. All live and very melodic. 15 MP3 Songs JAZZ: Smooth Jazz, URBAN/R&B: Soul Details: I have been a producer and artist for both Capitol and Sony Records. With a top 40 album and single as a producer and writer, I have now ventured into television and have over 20 placements on network and cable tv shows. This Cd was a labor of love and you can hear this in the tracks! Incredible melodies, singers and musicians, there is something for everyone on this Cd. The guitar work is stellar, electric and acoustic, and the bass player is none other than Byron Miller (Geroge Duke, Roy Ayers, Luther Vandross, etc.) The piano work is done by Kenneth Crouch, who is one of the finest in the world! Wynston Byrd is a guest trumpet player and he too is world renown! The vocals are handled by Toni Peete and Robbie Brown-you must hear these incredible singers. This album has no weak tracks, every song is a mood adjuster! Perfect for a romantic evening or a long drive or trip, this album will take you to places you have always dreamed of visiting! I have included one song called Tha Family that is guaranteed to make you wanna call your parents and say THANKS! Please enjoy this Cd and spread the word.
