

Mp3 Greg White Hunt - Enter The Oriente

[DOWNLOAD HERE](#)

A creative musical journey into the upper Amazon rain forest based on the composer's own experience in Ecuador. 15 MP3 Songs WORLD: South American, NEW AGE: Shamanic Show all album songs: Enter The Oriente Songs Details: Enter the Oriente is a creative sonic journey into the Rain Forest based on the composer's experiences in the Upper Rio Napo area of the Ecuadorian Amazon. A master ethnomusicologist, Greg White Hunt has created music that flows from primal to classical, featuring his own hand-crafted bamboo instruments and forest rhythms fused with authentic rainforest sounds. The music also includes Quichua shamans performing actual ayahuasca healing sessions. Enter the Oriente is a celebration of the Quichua-speaking indigenous peoples and their ancient mysterious forest.
