Funny songs for teachers 13 MP3 Songs FOLK: Modern Folk, KIDS/FAMILY: Kid Friendly Details: Judy Domeny Bowen is a folk musician, songwriter, and a longtime elementary school teacher. She knows firsthand the joys and frustrations of being an educator. Judy has turned her observations of life in the education fast lane into hilarious songs you are sure to enjoy! Teachers roar with laughter when they hear songs about happy snow days, dreaded faculty meetings, excuses to use when arriving late to school, and the ever-present temptation of food in the workroom. "That's me! That's me!" they exclaim as Judy sings of the February Teacher Blues, of the million responsibilities teachers deal with daily, and of the love teachers have for their students. Every teacher you know needs a copy of Teacher Therapy! Teachers of all grade levels and subjects will also love Judy's brand new CD TEACHER OF THE YEAR! Check it out here at CD Baby.com.
