17 Original Crossover songs with a sultry and buttery twist. 17 MP3 Songs EASY LISTENING: Easy Pop, COUNTRY: Country Pop Show all album songs: Unkissed Songs Details: Often compared to the late singers Karen Carpenter and Eva Cassidy, vocalist and songwriter Laura Pursell blends a combination of angelic soulfulness with west coast cool. Her voice and music defy categorization she has recorded everything from jazz to pop to country to electronica. No stranger to the music business, Laura was raised in Nashville, and her father is Bill Pursell, who had his own hit record on Columbia in 1963, as the artist on the instrumental single Our Winter Love. Unkissed was Lauras second recording under the Netcom Music label, and it features the writing of a long string of Nashvilles biggest hitmakers, including Holly Lamar, the late Randy Van Wormer, Marv Green, Aimee Mayo, and Chris Lindsey. Boasting 17 tracks of irresistibly hook-laden material, this project was recorded at Nashvilles historic Bradleys Barn, with a large band that included a horn section and the Nashville String Machine. Starting out with the upbeat, joyful I Just Do (Track #1) and culminating with the emotionally wistful Never Say Goodbye (Track #17), the album is held together by Pursells voice - fluid, clear as a bell, and a little mournful. In January 2001, the single What Only Love Can Do, penned by the late Randy Van Wormer, was released from the Unkissed album. It charted in the ACQB Top 40, made Radio Records New Active List and was caught on Billboards Impact Airplay Monitor.
