Details: It began with two inspired friends brought together through an intense love of music and a belief in its ability to connect and heal. Lubdub share a vision of UNITY, bringing people together to create and connect in the vibrations of Peace, Harmony, Self-expression Love through Music and Dance. Lubdub have been cooking away in the Lublab since mid 2007 Crafting, creating and cutting electro-acoustic delights, refining a unique and incredibly flexible live setup that allows the music to spontaneously lead both the musicians and you alike along an intriguing sonic journey trekking through the deserts of Dub/Reggae, the wilderness of Downtempo Psy and the wide oceans of World Music Lubdubs live shows are what truly set them apart from other electronic acts; live guitars, flutes, keys, chant percussion bring to life their already vivid compositions. Carefully woven incredibly deep arrangements that continuously evolve, a blending of the organic electronic, a merging of traditional modern, a balance of intuition intention, a synching of left right hemispheres At the core of the group lie two very dedicated talented musicians: Fred Woller (Production, Keys, Computers Audio Wizardry) & Yuval Shalit (Production, Guitars, Keys, Flute, Chant, Percussion.) Both have firmly planted themselves in Australias flourishing live music scene, Yuval having spent the last 5 years as the main man behind the sound of some of Melbournes premier live music venues, and Fred through his involvement with the very successful live DubDrum and Bass outfit K-Oscillate. Lubdub have quickly generated momentum following a sneak peek show @ Matriya Festival earlier this year. Since then theyve headlined both Ostara Peyo festivals and packed out several Melbourne metro shows; November sees the imminent release of Lubdubs breakthrough self-titled debut album And a score of

festival slots booked for the summer!
