Mylin is a great American story. Born in the Philippines to a father in the U.S. Navy and a Filipino mother, Mylins father was encouraged to return to the U.S. without she and her mother due to his young age of 18 and their different backgrounds. The day he was to ship out, he got into a serious motorcycle accident. Badly injured in the hospital, he decided he didn't want to spend the rest of his life without Mylin and her mother. Two-year-old Mylin and her mother were flown to the U.S. in a C-130 military cargo plane, carrying the bodies of deceased U.S. soldiers. The trip took a week and a half. I almost never made it to the U.S., Mylin says. Im very thankful to be an American girl. Mylin currently lives in Los Angeles and is in production on her upcoming album.
