Related styles: EASY LISTENING: Adult contemporary, EASY LISTENING: Nostalgia People who are interested in Anne Murray Karen Carpenter should consider this download. Details: The 2008 Christmas release by new-comer, Nancy Bos, brings a fresh voice and arrangements to classic Christmas favorites. Nancy's warm, rich voice gives a feeling of home and comfort; the perfect backdrop for holiday fun. Nancy is a native of South Dakota and has lived in the Seattle area for over ten years. She's enjoyed opportunities to perform in classical, Broadway, rock and blue grass concerts. However, for this CD she goes back to her roots; years spent listening to Karen Carpenter, Anne Murray, John Denver and Roger Whittaker. They all come to light with Nancy's easy storytelling and beautiful melodies. By day, Nancy is an expert voice teacher, helping both professional and amateur singers in private lessons, lectures and instructional CDs. By night you will find her at a concert, a musical or cuddled up on the couch with her kids. You can learn more about Nancy at singing101.net/ and myspace.com/nancybos Thanks for listening.
