Journey into a freshly new, magical dimension of audial bliss. 15 masterfully played original compositions invite one to open up, breathe and connect to your Inner Self. 15 MP3 Songs NEW AGE: New Age, CLASSICAL: New Age Details: The piano of English born Peter Edwards, a raw foodist and creator of VegetarianUSA.com, sparkles and soars, singing of the beauties of nature. Mr. Edwards creates spacious musical landscapes of beauty, peace and power. Soothing heartfelt melodies dance over delicate arpeggios reminding the listener of romantic classical masterpieces. Anthony Blea's masterful violin on the title track is earthy and soothing. With compositions such as "Sunshower." "Flight of the Blue Heron," "Children's Garden" and "Evening Lagoon" we slip into tranquil moments reminiscent of the many-splendored beauty of nature. "Joyous Morning," "Inner Paradise" and "Waves of the Heart" gently connect us to special realms within. Secret Oasis has been used in alternative health centers, creative visualization workshops, by college students to enhance study and appeals to audiences of all ages and races. Rudy Perez, Grammy Award Winning Producer exclaims: "While listening to "Secret Oasis" performed so masterfully by Peter Edwards, you are transported to another peaceful place. I use this CD to sit back, relax and escape from the real world. Peter has discovered how to use his piano to transmit peace." Natural Home Magazine (Jan/Feb 2003) says: "Peter Edwards performs his own nature-inspired piano pieces that---tranquil and reflective-float in an instrumental spiritual reverie."
