

Mp3 The Buckerettes - The Buckerettes

[DOWNLOAD HERE](#)

A natural fusion of traditional and modern roots music with a cowgirl twist. 15 MP3 Songs in this album (60:06) ! Related styles: COUNTRY: Americana, FOLK: Political Folk People who are interested in Indigo Girls Riders in the Sky Dixie Chicks should consider this download. Details: Meet The Buckerettes, Robin Cape, bass and vocals, Deb Criss, guitar and vocals and Roberta Greenspan, fiddle and vocals. This Asheville, NC trio has been inspiring listeners and dancers throughout the region since 2003 and continue to bring their unique performances to theatres, festivals, concert series and private events. Dont let their name and full spirited honky-tonking, foot-stomping vibe fool you, these three ladies deliver a sound that is rich in sultry harmonies and firmly supported by a foundation of strong instrumentation. Variety characterizes The Buckerettes sound, infused with the strong traditionalism of the Blue Ridge Mountains that they call home and seasoned with their individual musical histories of rock, jazz, bluegrass, country, soul. A Buckerette show will keep you smiling, dancing and laughing as they take you along the wide open range that is of their own making.
