Easy listening gospel duet with close harmony. Many traditional favorites with a "Carpenters" type feel. 11 MP3 Songs GOSPEL: Traditional Gospel, GOSPEL: Country Gospel Details: Mark and Cindy Maynard have been singing together for over 30 years. Only recently have they ventured back into the concert arena, and have released a new CD. They present a musical variety of gospel and christian songs with a real message. Both have been singing most of their lives and share a blend of their voices that not many can. Mark has toured with various gospel quartets and Cindy has sung in vocal trios over the years. Their sound is easy listening, and Cindy's voice has a "Karen Carpenter" type feel to it. Mark's years as a quartet singer allow him to blend his voice with Cindy and provide a wonderful result. This is a great vocal duet worth listening to!
