

## Mp3 Tommy Gargano - Fuoco

[DOWNLOAD HERE](#)

European Soul/Pop/R&B artist. Italian singer songwriter that love the " love " in all his meanings. Its voice is defined by the criticism the voice of its soul. 18 MP3 Songs POP: with Electronic Production, URBAN/R&B: Soul Details: Singer and songwriter for himself and for different artists of national fame in Italy. For 10 years he has made part of different bands as frontman writing and singing songs. From two years finally free from every tie with the record majors he has decided to directly propose to whoever wants to listen to his soul and his love for the life and for every situation that to him it gives only also an instant of positive thoughts, of suffering and of desire to love without schemes and without ties. He intends to tell his feelings, his histories and his passion toward all of this that from the possibility to try that fantastic and at the same time bitter feeling that is the love. To whoever wants to gather, listening to his music, Tommy hopes to give to all those that will want, also an only instant of sweet thoughts or fantastic remember! Musical criticism has defined the music of Tommy a whirlwind of feelings and strong feelings, sweets and at the same time involving. Every time, in every interview in television/radio or on the newspapers, he has always declared his love for the music and he has always defined this, the only passion of his life and the only way to be really sincere. In fact listening to Tommy music, the feeling and the soul of this artist it is perceived that schemes it is not set creating his songs, without ties specific respect to the musical kind... pop, soul R&B doesn't care, what is important, for Tommy is that the music and not only its voice, is an alone thing because its soul comes out. Listen for believing!
