Gospel music in varied styles. 18 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel Details: The compilation of these songs is a result of one of my projects while in college. Some of my fellow classmates and I, who had the same appreciation for acappella and Christian music decided to harmonize our voices to produce some spiritual songs we had written and a few well known church songs. Some of the tracks are vocally produced completely by Wayne Pascall while others include the voices of other artists. The guest vocalists on this CD are: James Canterbury, Shawn and Miriam Lee, Johann Melgar, Rita Toledo and The Acappella Boyz. "My thoughts" was written by James Canterbury. James' extraordinary talent was a great blessing to this project. His lead / harmony vocals are included in "Every Tribe and Nation Sing", "Rap Us", "Forever Loving You", "Be Where You Are", "Come Follow Me", and "My Thoughts." The vocal percussions on "Forever Loving You" were also done by James. Shawn and Miriam Lee wrote and sang most of the vocals for "God My First Love." The Acappella Boyz wrote and sang most of the vocals for "Do You Know Him?" All other songs were written by Wayne Pascall (Except "Rap Us", "Be Where U Are", and "Your River Runs.") Johann Melgar and Rita Toledo are credited for translating and singing in spanish, one verse of "Your River Runs." We hope that you are blessed by these songs. We thank God Almighty who made it all happen!
