Lisa Hampton is committed to her career, but a woman in the traditional Japanese martial arts is seldom taken seriously. At least not until one hot and hunky man takes her very seriously. James Rhee runs his own brand of martial arts studio, teaching movie stars who want to shine in their on-screen stunts. It's a job Lisa genuinely wants no part of. But she soon finds it's hard to refuse the maddening man anything...including her body. Before she knows it, she's let her guard down and sinfully sizzling sex has turned into something she simply can't fight. Author: Lee, Fran Publisher: Ellora's Cave Publishing Inc.
