World megatrends focuses on the way we will be living in twenty years time. Will we all live together or will we shut ourselves away in ethnic ghettos? Why will Western Europe become known as Eurabia? Who are our future political leaders and why must we all learn Mandarin Chinese? In World megatrends, Adjiedj Bakas focuses on the future of a drastically changed world forced with new superpowers and an ongoing struggle between the West and Muslim fundamentalists. Visionary, lively, powerful and full of insights, this book offers ideas and inspiration for individuals, businesses and other organisations for ways in which they need to adapt their lives, their mindsets and business opportunities for the coming times.
