There are big questions that most of us come up against at some stage or other, maybe looking something like this: Does my life have a point? Do things really have to change? Am I happy enough? Where on earth is home? Will I ever be in with the in crowd? Is there never time to breathe? And we have a choice. To push these issues away by filling our lives with the noise and activity that will drown them out. Or to face them full-on, seeing them as a means of exploring the deepest possibilities of our lives. Does My Soul Look Big in This? is a book for a generation unafraid to be vulnerable, honest, authentic; for people longing to find for a spirituality that is relevant and real.
