Insider's Handbook To Government Grants You're Eligible To Receive Some Of The Money The Government Gives Away Every Year ! Think You Can't Get Free Money? Think Again! There Are Thousands Of Grant Programs For You To Get! Over View Of Government Grants? We read nearly every day about government spending, but many of us do not realize that we might be eligible to receive some of the money the government gives away every year. There are thousands of grant programs for established businesses and newcomers. Whether it's to develop a unique invention, continue or change your career path through education, work at your artistic vocation or simply to obtain help with living expenses, there are numerous sources out there for you to tap. But how to identify them? This is the bigger stumbling block to those that even think they might qualify for government funds in some way. But the key to obtaining grant money is not a big secret. Generally, if you are an organized, detail-oriented person who can follow instructions, chances are you could qualify for a grant. Grants Grants Grants! Grant money can provide you with the independence you need to start your own business or launch you on a new career destination. These dollars can help you acquire schooling you've either lacked or need to change course. All it takes is organizational skill, the ability to write a proper grant proposal and knowing who to write to for applications. This Insiders resource will be your guide and can improve your chances of securing grant money dramatically! How to write your proposal. You don't need much experience for

this either. Writing a grant proposal can be as simple as following the directions in your application packet. Add a little flair and your grant application can stand out, making your chances of selection better. You will likely not be the only one writing for grant money, so you have to do a better job of it than your competitor. You need to make sure that there is: A need for your idea or project Sufficient research done on your part to satisfy the grantors No question that you are the best candidate to receive the grant Time enough for you to review the application process and prepare your grant proposal Here are the essential parts of a grant proposal: 1. - Summary. - This generally outlines the proposed idea or project and is naturally slotted for the opening paragraph. Keep it both brief and interesting. It will be the first impression the grantor(s) will have of you and your abilities, so work hard on this part of the document. Poorly written, this opener could end your chances immediately. Conversely, well-written beginnings are encouraging to the reader(s) and improve on your chances. Be sure only your key points are in this portion. Don't oversell it with too much detail. Make this part easy to read, but informative. 2. - About You (and your Business). (more inside...) 3. - Problem Statement (more inside...) 4. - Objectives. (more inside...) 5.- Inside the report (more inside...) 6.- Inside the report 7. - Inside the report..... 8. - Inside the report..... Much More Grant opportunities exist in virtually every imaginable form and some that you would laugh at, but people get them to do things that are quite strange. What have you got to lose? Your grant money is only a few steps away for the dedicated and persistent it's there for the asking. Get your copy and start asking for your money....
