Do you want a sample? [Click Here](#) It would far cheaper of course to print out the installation documentation that comes with the package. * We go one step further - we actually SHOW you how to do it. Imagine stting at my shoulder as I do the business. In this video program you will learn it all. ALL THIS ON VIDEO PLAYABLE ON YOUR COMPUTER As you can see this really is the ultimate tutorial for installing and running Movable Type - , youll benefit immediately from these videos as youll learn quickly to take advantage of this incredible Blogging Product. OK - So Whats the Cost for This Amazing Resource? Frankly, I thought long and hard about delivering this exclusive information only as part of a high-priced Training Session where I charged several hundred dollars per person. But instead of going to all the trouble of arranging a room and taking time out of my schedule - I am going to deliver all this to you directly : Immediately after payment, you will receive, by seperate email, a download link. You can download the whole 55mb package IMMEDIATELY. (Youll need a high speed DSL/Cable/Broadband for this. If you have only got a 56k modem wait for the delivery :) (Dont worry downloading everything is a snap and it works for both PC and MAC users. The entire package is only \$5
