

## Magicsubscriber! Instant Email Capture Software

[DOWNLOAD HERE](#)

GENERATE MORE TRAFFIC & PROFIT. MagicSubscriber reduces the amount of time and money you need to get more customers and sales. It automatically captures your visitors' email addresses WITHOUT them having to fill out a form! This makes it 10x's easier for you to generate targeted traffic and sales. It only takes 2 to 5 minutes to implement -- and the payoff is HUGE. You can use MagicSubscriber on unlimited websites. With just a few clicks of your mouse, you can consistently, predictably generate a steady stream of targeted traffic and leads. It's effortless. Whenever someone visits your site, MagicSubscriber automatically GRABS your visitor's name and email address from their Microsoft Outlook email program and sends it to you... or feeds it to your mailing list/follow-up software. It's 100 compatible. You can add instant email-capture to any mailing list or autoresponder service. MagicSubscriber is guaranteed 100 compatible with any system you're using right now. It's flexible. You have advanced control over the pop-up message and when/how often your automatic capture box should appear (i.e., instantly, time delay, on entry, on exit, etc.)
