Midwest,Eastcoast mixed with Crunk Soul easily more perfectly put as a mix of N.W.A., Public Enemy, EPMD all wrapped into one nut shell 17 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Hardcore Rap Details: Once again the amazing tandem surprises the masses with the release of Rise to Power. The first of installations in the Kno Luv mixtape series proves to be one of the best mixtapes of the early year. 20 Nickelz packs the new disks with blazing club joints, bangas for the street, and it still has a softer touch for the ladies. At this point and time you could probably say this Hampton Roads Duo is definitely holding the seven cities down in all aspects of the music industry and show no signs of letting anyone bite on there heals. One thing for sure is that this is just an appetizer leaving plenty of room for there debut release later in 2006 The Diary of A Black Man which they promise to be the best hip-hop/rap release of all time. There is nothing 20 Nickelz can not handle at this time they seem to be on fire so stay tuned for melodic sounds and tunes for ya ears to list. Website: 20nickelz.com Phone Contact: 757-563-8096
