Be ready to be grooved by the many soundscapes created; from R&B to funk, jazz to rock, and exploring the in-between, all held together by the not so common thread of Emmellda's exceptional vocal creations. 10 MP3 Songs URBAN/R&B: Psychedelic Soul, AVANT GARDE: Sound Art Details: The Voice of A CHRONICLE OF TERRA....A Natural California girl, Emmellda grew up and up and up (6'3") singing and playing instruments from a very young age. Between her love of Music and English, it was no small surprise that she began songwriting, but she never forgot her choir years-of which there were quite a few. Through the ensuing years, much live music has been performed by Emmellda, often to the delight of an eager audience. From Avant-garde to hard rock, opera to funk and everything in between, Emmellda has sung it all...from performing at an intimate gathering to a festival venue, with equal zest and desire to share her considerable musical gifts with others. The heart is never far from the core of Emmellda's focus and performance. People who are interested in Prince Cassandra Wilson Parliament Funkadelic should consider this download.
