Acoustic group blending modern and traditional stylings to create a sound described as "chamber folk" 11
MP3 Songs FOLK: Modern Folk, ROCK: Acoustic Details: A Fine Line's music is of the
Acoustic/SingerSongwriter nature but sometimes drifts further into more Rock and Indie tendencies. The
style is akin to artists such as Damien Rice and Ryan Adams, but also draws from Rock and Punk artists
as well. Singer/Songwriter Stephen Selvey creates innovative guitar riffs with catchy melodies while
Camellia Delk adds stirring string and vocal accompaniments. Adam Dale and Matt Miller fill out the rythm
section on bass and percussion. A Fine Line creates an organic sound of stringed instruments that can
range minimalistic and bare to dense and lush. Some have dubbed the sound "chamber folk" try listening
for yourself.
