[DOWNLOAD HERE](#)

This music is different. It is a mixture of modern sounds with Andean instruments making it a like a new age style with a bit of a South American touch. The melodies are beautiful and in concert people are amazed by the way it sounds. 11 MP3 Songs NEW AGE: New Age, NEW AGE: Ambient Details: To see his art work go to his website a-k-rona.com A/K/RONA is the artistic pseudonym of a 45 year-old Colombian artist who is rapidly gaining international attention. When asked about his unusual name and public persona, A/K/RONA explains, Kronos means time, and the prefix A means without. That's why my character is a timeless being, with no place and no country. A multi-talented individual who was educated in his native Colombia and the United States, he taught basic design at UNITEC in Bogota from 1988-1994, and acquired his Bachelor of Science Degree from Northeastern University in Boston. Combining his Knowledge of mathematics, chemistry and visual communication with his talents as an accomplished musician and artist, A/K/RONA is producing images that are rapidly establishing his artistic viability. The content of A/K/RONA's work comes from his wish to convey hope to a planet he sees as overrun by media images of gratuitous violence. He describes his art as rational and modern, figurative and modular, involving a mathematical and artistic convergence in which he graphically depicts the elements of daily life: ribbons, bars, lines with knots, exponential functions of natural numbers and the mathematical formulae which comprise the fabric of our existence on earth. THE AUTHOR Juan Carlos Crdenas (A/K/RONA) was born in Medelln, Colombia on December 15, 1962.
