High energy fun from the best family JAM BAND working today. From bluegrass and reggae to a blast of the bayou. It really doesn't matter what it is. It all draws you in like a welcome embrace. 5 MP3 Songs  
KIDS/FAMILY: General Children's Music, COUNTRY: Bluegrass Details: Ben Rudnick Friends three studio recordings have won many (many, many) awards from the likes of Parents' Choice, John Lennon Songwriting Contest, the Children's Music Web, NAPPA and iParenting. Their most recent disc Blast Off received four stars from Downbeat Magazine. With all the recognition for their studio work, BR&F is first and foremost a live band. Playing an adventurous, high-energy blend of happy, upbeat acoustic music BR&F takes off and takes you with them. Blending musical styles from bluegrass to reggae, their live shows are events. Everyone is invited. Live at the Playground WERS 88.9FM was recorded at the band's fourth visit to the Emerson College radio station. The band is comfortable and they're letting it fly, Live at the Playground is what it's all about. Buy this record. Have fun. Feel good! Dance with your family.
