Glittery hard rock combined with dark, arty pop. This album is a little more "arty" than Nightlife Casualties, with more of a Cure influence and less outright rock. Product was recorded with our old guitarist, Chris Hogan. 12 MP3 Songs POP: Power Pop, ROCK: Glam Details: Blue Period's debut release, Product, was recorded in 1997 and released in 1998. While the band has evolved into more of a glamorous rock and roll band with their new album, Nightlife Casualties, their auspicious beginnings can be heard here. More arty and less hard-hitting, they still knew how to rock. Many fans actually prefer this album to their recent work.
