

Mp3 Bonnie & Slyde - Paths Of Life And Love

[DOWNLOAD HERE](#)

Lush production with female lead vocal reminiscent of the 70's. 12 MP3 Songs POP: 70's Pop, POP: with Electronic Production Details: BONNIE SLYDE - Paths of Life and Love Songs Are Songs of Our Lives - As much as we are different we are also the same. Familiarity brings comfort and peace and strength. Find a new friend in Bonnie Slyde. Aftermath of Love - The end of love as a romantic encounter for whatever reasons that it is so. Although romance ends a more pure form of love remains. An uncluttered, focused outgoing desire to wish the other well as you express the bittersweetness of farewell. A recounting of an affair of the heart as you pick up the pieces and move on, all the while dwelling in that special moment - The Aftermath of Love Don't Bother - A song of cosmic philosophy, self evaluation, choosing your times, and rising above the petty conflicts that seem to ensnare us all at times in life. The singer expresses thoughts on how she strives to achieve the balance between that which can be influenced by her actions and the parts of life that are beyond control.
