Classic mind bangers, head knockin production, and lyrics that'll leave your face real scrunched up... 16 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Spiritual Rap Details: Cesar the Block Star is set to take the world by storm. History will remember him as the nastiest MC to never steal, kill, or curse in a verse. Cesar has been puttin it down on the Hip Hop scene ever since he heard Whodini's "Five Minutes of Funk" in the 4th grade. Thats when the love affair began and he never looked back. "I find it a true blessing to have lived through and experienced the Golden Era of Hip Hop. There will never be another 1986 - 1994...EVER." Cesar is doing more than his part to keep the spirit of Hip Hop's Golden Era alive and well. Lyrically he is hard to touch. He uses the lyrical standards set by Jay Z, Common, Nas, and Black Thought as motivation for writing his rhymes. One of my favorite verses I wrote was, To come off doo doo, the criticism would be brutal. I want Jay, Common, and Nas to give a nod of approval. - The Front Row "I put so much thought into my rhymes its not even funny. I refuse to add any filler lines to my verses. I don't go after a verse, a verse has to come after me. Even if it takes a month. From start to finish every word and syllable is strategically planned. Thats why people are blown away by the words comin out of my mouth." So what are some of Cesar's favorite lines? "You're like a blind man in jail, you can't even see these bars. Soon your whole repertoire'll be obsolete like VCR's" - First Impressions Cesar is a tougher act to follow, than a little girl with down syndrome singing gospel at the Apollo" - Otha Rappaz Know "You tellin fairy tales about your pharmacy job, when the only keys you pushin is the ones through your doorknob" - Public Relations Cesar's masterful blend of raw Hip Hop and conscious lyrics is guaranteed to bless the ears, heads, hearts, and souls of all who listen.
