"EC" is musically influenced empowered by legendary greats like P-Funk, Prince, Gap Band, Cameo others, but they're no copy-cats. They are a true blend of authentic funk R&B musicality mixed with the hot urban flavas of today. 10 MP3 Songs URBAN/R&B: R&B Pop Crossover, URBAN/R&B: Funk Details: When the concept of ELECTRIC CHURCH first came to life several years ago - as the soul child of Todde "toddiefunk" Lawton (bass player for TobyMac), it seemed as if it had always been here yet, it was totally new - a genuine, organic collision of funk and R&B musicality, hot new urban sounds and a Holy Ghost bottom line. In the beginning, toddiefunk took EC to the church as well as to the most intense rock and roll venues, the hottest top 40 spots, the edgiest urban dance clubs and back to the church without changing a lyric or a beat. They filled every room and were voted Best Funk Band by their loyal and diverse fans. ECs vibe is overflowing with a groove so pure and true, without compromise, no matter where they venture. There's something for everyone willing to put it in their ear, defying genre market boundaries. Even though this band is musically influenced and empowered by legendary greats like P-Funk, Bootsy, Prince, Slave, The Gap Band, Ohio Players, Cameo and others, they do not simply mirror their predecessors and produce a cleaned up, copy-cat sound. Instead, they are a living product of life long immersion in the truest, most authentic musicality, blended with timely growth and taking it all in, shaking it up and birthing a new thing based on the very essence of the fusion. It will move you in every sense of the word! As the visionary front man, vocalist, writer, producer and bassist, toddiefunk is a man whose very soul is grounded in purpose and EC is a driving force - music with a mission. That mission is to take you on a ride that lifts you to a place that feels very familiar at first, but you'll soon discover you've never really been right here before. ECs debut international release, READY OR NOT! is your ticket to a timeless journey. Plug in and enjoy the ride!
