

Mp3 Equinoxx - Imagination Becomes Reality

[DOWNLOAD HERE](#)

Like "Enigma under satin sheets", with a sensual vibe called "Hypnotronica"..., comparable to Delerium, Moby and Thievery Corporation 15 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Experimental Details: The producer of Equinoxx, recently featured in Billboard Magazine, has cleverly incorporated the diverse cultural and musical influences gained through exposure to 28 countries, throughout Europe, Latin America, and the Middle East during travels and residencies abroad. The arrays of life experiences, educational, professional and entrepreneurial background led Equinoxx down the path to music production publishing. Their first ventures were written publications; Entertainment Guides that placed top sales for its market and gathered a variety of promotional success. The track "Dream Ride" was licensed for television on the Oxygen Network TV show "Bliss" and was ranked as one of the top soon-to-be released songs by the International Song Writers Guild. Tracks were also featured during Equinoxx's premiere debut at "The Roxy" with Cirque-de-Soleil style theatrical direction. Being a native and current resident to Florida, within earshot of new technology and talent provided by the renowned theme parks, aids inspiration and passion evident in all Equinoxx creates. The musical works exhibit attention to the dynamics that present a silky, multi-dimensional auditory experience to the listener, incorporating physiological triggers to the brain enhancing the nuances of each musical and lyrical ride.
