

Mp3 Francesco Burrai - The Fourth Way

[DOWNLOAD HERE](#)

Music of atmospheric sonority for zones others, for rains suspended, without more roads of the thousand impressions, of the thin transparencies, of the far instantaneous. 10 MP3 Songs NEW AGE: New Age, ELECTRONIC: Experimental Details: Music for other heads. Point-line-shape. Time-space-velocity. (P.J. Baker. Artist of sunsets) Music of atmospheric sonority for zones others, for rains suspended, without more roads of the thousand impressions, of the thin transparencies, of the far instantaneous. (L. Evans. Aleatory Writer) Music of necklaces of drops beyond the Zenith that burned, like the shadow to the sunset, of imprecise distances, like slabs of light to the rhythm that escapes immense putting in background red. (S. Melillo. Transparent Painter) Music of nomadic gestures, of the celestial noise, of honey and spheres, in the silence cement, the time that lies on the water, to the horizon, in the last darken. (K. Zinn. Spiritual Poet) Music of Powder of velvet, of blue Amethyst, of the gold ethereal, of the destiny talisman, of cashmere and graffitos, of industrial avenues, of breathtaking letters, of nights that exploded in going to fluctuate, to vibrate, to the poison. (D. Lee. Metaphysician Musician) Music of angles, of the reflected ardor of aromatic flame, focal point, hypnotic magma, of fluidity spatials, of cuts, like the curve of one spike in shady flowers. (H. Field. Poet without time) Music that is there where does not strike the times, in the night without bottom, only in its sighs, within one dew of liquid memory. (W. Yarris. Photographer of clouds) Musics of The Fourth Way are used in videoclips, in choreographies for dance contemporary, in sincrony with performance of reading, in concerts for festival of contemporary music with executions to the dawn in isolated zones.
