Prehistoric electronica. Soundscapes by modern electronic instruments circa 1,000,000 B.C. 6 MP3 Songs ELECTRONIC: Soundscapes, ELECTRONIC: Ambient Details: Jerry Keating has spent much of his life realizing his impressions of internal and external, real and imagined influences through music. He composes contemporary, yet timeless soundscapes that resonate with the listener's own experiences, sensations and memories. He is constantly challenged to reconcile the desire to retreat into personal reflection, contrasted with the desire to express his inner personal, and inter-personal social and political actions and reactions. People who are interested in should consider this download.
