Code -K Songs Details: The Bio of Kalinda Kalinda was born and raised in Oklahoma City, Ok. She has always had a passion for music. At the age of six is when she first started to become even more obsessed with singing songs of her favorite artist, such as Mary J. Blidge, Whitney Houston, Brandy, Monica, and many other artist until becoming older and realizing that she also carried the gift. At the age of ten she joined the church choir, something that was close to what she wanted to do as a career which was to sing and perform for the world. All through her teenage years she searched and struggled to find someone to help her critique her talent. Going up and down, in and out the studio, she became frustrated. At the age of twenty she met writer/producer JuRobb. Kalinda has been making moves every since. Her soulful R&B Hip-Hop style has been attracting listeners all over the globe. So keep your eyes and ears open to witness and hear the phenomenal sounds of Kalinda.
