Details: Canadian born, Los Angeles based singer songwriter Marc Robillard fuses together meaningful honest lyrics, with understated heartfelt melodies to create his own unique blend of sonic artistry. With his raspy humble voice, and interestingly textured pieces, Robillard is able to connect with his listeners on a highly personal level. Amidst the sullen tones of much of his work, Robillard still seems to connect a common thread of brightness and hope within his music. His debut EP Paper Airplanes has received glowing reviews from fans and critics alike. Now with the upcoming release of his sophomore album Robillard hopes to reach out to a bigger audience with a collection of brand new tunes. One of his new songs "So Much More" featured in Frito Lay's new television commercial for a biodegradable Sunchips bag, has stirred up a lot of positive attention from viewers across North America. After the commercial aired only once on Earth Day, Robillard along with Frito Lay and Sunchips, was bombarded with requests for the full version of the song.
