Opening Balance Studio Spa in the beautiful Redwoods mountains of Santa Cruz in 2003, leaving her 20 year long career working in the Corporate setting. Melissa found the key to changing her life, was to change the way the energy flowed through her body. Gathering the energy and clearing her own energy blocks allowing the healing energy to flow openly through her, changing her path. These energy centers (found in the Chakra System or central nervous system) are her focus when working with clients. Helping them to understand what the Chakras are and how to recognize when they are out of balance is the key to putting them back in balance. This CD will bring on the effects of Success and Abundance when listened to. The meditations follow the seven spiritual laws of Success

by Deepak Chopra using the Chakras in the body. Look for Melissa's Mystic Meditations DVD to show you how to visualize and my Groovy Goddess workout to teach you Yoga and Pilates includes her Chakra Meditation. People who are interested in Deepak Chopra should consider this download.
