New age music, contemporary classic, r&b urban funk Afro Cuban Latin mix 5 MP3 Songs URBAN/R&B: Contemporary urban, LATIN: General Details: Onre Nobles comes from a long line of entertainers. From relatives who where actors, dancers along with musician family members. With the studies of the art of music came my first instruments. The guitar was the first later changing to the keyboard. While playing the jazz circuit along with exploring different world sounds. My interest started to grow with the exploration of these new sounds. These ideas come together through my music. Touch of 2 Day is just an example of the ideas which come across so clear. This song brings out the creative side of my artistic ability .While others dream I make it happen
