Currently residing in Maui, Hawaii; Out Of Time is an emotional uplifting song that was written by Rikah in memory of the Tsunami tragedy and the lost of ones significant relationship in which we can all identify with. When described artistically, Rikah is a breathe of fresh air in our dance music industry as she brings all the elements of talent to the table Smooth silky sexy vocals, crafty songwriting, and a live presence that is hypnotic memorizing. People who are interested in Madonna Yma Smac should consider this download. Tags: pop
