Rocking Country Blues 14 MP3 Songs BLUES: Rockin' Blues, COUNTRY: Country Blues Details: Here is the second release from the legendary Roadhouse Dogs as they continue their journey through the heartland of American roots music. There is no style into which these songs will fit snugly. They are not blues, nor country, nor soul, jazz, R&B or rock and roll but rather a kaleidoscope of all the above, melted down. lovingly shaped and honed into thirteen nuggets of roadhouse gold. The Yearning explores themes that have shaped the entire history of American music. The yearning for somewhere else, something better, for redemption, for forgiveness, for escape and for discovery.. The Roadhouse Dogs have never been about slick smooth performance. Their music is jagged and raw, played from the heart and soul without the burden of radio friendly production. Following on from their acclaimed 2005 debut Nowhereville, here are thirteen new songs to crank up loud when that FM dial starts to numb your soul Pour yourself a shot of sippin whisky and enjoy..
