Melodic Folk-Pop with a hint of Roy Orbison mixed in. 10 MP3 Songs FOLK: Folk Pop, POP: Delicate Details: Steve DeStefano was born and raised in the Philadelphia area. A South Philly boy at heart, he has climbed his way to the top of suburban life and loves to write and sing about it. Steve has been playing guitar since his early teens and has been writing songs just as long. Many of his songs from his first recording ,Rat Race are from different periods during his long 30 plus year career in music, but its hard to tell when. Sometimes autobiographical, sometimes just in fictitious character, Steves songs are always melodic, catchy and just plain fun. As a teen, Steve played lead guitar in the Top 40 and the Rock Bands that were popular during that time period. He did a brief (very brief) stint in the disco scene that was popularized by the Saturday Night Fever craze of the 70s. He has been also involved recently as a bassist in the Christian Rock scene and is known for his flamboyant, charismatic stage presence. Steve is currently working on his next release and hopes to complete two more original works by the end of 2007.
