Original children's songs for ages 0 and up. 14 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: Once upon a time, there was a little boy who was very much loved by his parents. His dad use to sing songs to the little boy helping him fall asleep. As the boy grew older, his dad would tell him bed time stories. Since the dad happened to be a musician, he composed songs from these stories. One day, a fairy princess visited the dad and put a magic spell on him. Under this spell, the dad recorded all the songs and created a music CD called "Sprinkles Of Happiness". And the little boy, his mom, and his dad sang happily ever after. The most popular song on this CD is "How'd They Do That?". For jumping around and having fun there's "Ducky Duck Dance". "Rainy Day Toys" has some nice guitar playing on the end. And reggae fans will love "Nappy Nap Time". Having fun listening, Terry
