

Mp3 Tom Drake - Love Unwound

Quality lyricism rooted in the Americana acoustic folk/folk-rock blues temperment with an inkling towards experimentation with electronic and ambient noise (lofi joy). 10 MP3 Songs FOLK: Modern Folk, ELECTRONIC: Experimental Details: I am the illegitimate child of Tom Waits and Nick Drake. The scandal of their torrid love affair has kept me from coming forward earlier, but I believe that now the world is ready to accept me without striking out against their musical legacy. Honestly, I only found out a few years ago, while rummaging through my adopted parents old collection of vinyl. Here are some songs from my first record, love unwound, which will go out soon on Public Records. All songs are published under a noncommercial creative commons license so you are free to download and trade the songs, you can get the full album at publicrecordsaudio.com. This album is a professionally burnt CD-R release of mainly home demos and experiments. My only hope is that it can convey the honesty and emotion that inspires me to make music. You can email me at tommopery@gmail.com. Thanks, for taking the time to listen. "This is very good hot NYC night music when the only light in the room is your computer screen."
