Parody of pop songs that so richly deserve to be lambasted by a funny power trio with a fuzzbox. 31 MP3 Songs POP: Quirky, ROCK: Progressive Rock Details: This recording was uncovered at a Minneapolis hospital/mental treatment center of three boys that like to run naked (see photo). All the songs are twisted parodies of popular songs interpreted by these three patients. This CD is an effort to raise money to recoup medical costs for the Stardusters' parents and try to keep the boys under constant medical supervision (the only way we could get the relatives to agree to release the songs). Unfortunately for the world of music, touring is nearly impossible for the boys since they would require nurses to continually clothe, feed, bathe and give them laudanum injections. Reviews of Vinnie's CD "Novelty Music for Casual Sex" "Let us all stand united behind the Stardusters!" -Utne Reader "Head directly to your neighborhood store and catapult the Stardusters to their rightful status as the kingdom's jesters of pop." -St. Paul Pioneer Press "fucking brilliant" -Sorted "OK, fuckit, it's funny as hell." -Ink 19 "five stars" -Sidewalk.com "pure heaven" -Lick Magazine "Husker Doo Doo" -Memphis Flyer
