Michael D. Higgins is one of Irelands leading public intellectuals. As well as having made a significant contribution to public life, he is a prolific poet, whose work ranges from the personal to the political, and geographically from the west of Ireland to Nicaragua and the Middle East. Here, he has gathered together the very best of his poetic output over the years. In these poems, he casts a wry, compassionate eye on human weakness and resilience, and the centrality of love to all human relations. Throughout it all, his yearning for a world marked above all by social justice stands out. This collection is a treasury of the very best of his writing over the years and is sure to delight younger readers as well as his established followers. Author: Higgins, Michael D.
