If You Are Tired Working Nine-To-five, Being A Slave To Money And Want To Start Earning A Full Time Income From The Comfort Of Your Own Home. Then Discover The Simple And Easy Guide To Starting Your Very Own Online Business ASAP That Runs On Auto-Pilot And Earns You A Constant Monthly Residual Income! Starting an online business has never been easier. Hundreds of thousands of people are making a full time income working part time hours from the comfort of their own home, and if you want to join them keep reading Im going to start by saying something you might think is too good to be true, but Im going to say it anyways You dont need to be a marketing genius and know absolutely everything there is to know about the internet to start youre very own online business. In fact, you can start earning a legitimate income online from the comfort of your own home in under 1 hour! Dont believe me? Heres two ways you can start your own online business in under 1 hour: Buy Resell Rights to someone elses product and start selling it on the internet. All you would need to do is buy resell rights to an info product, upload it to the internet and drive traffic to it via Google Adwords and theres your 1 hour online business. You could also... Sign up as an affiliate and promote someone elses product (this is even easier than the

first business). All you'd need to do is sign up to an affiliate program and drive traffic to your affiliate link. Again, you can use Google Adwords to drive traffic to the link. Of course, to set these businesses up in under an hour you would have to be clicking pretty fast and not waste any time (if you did take your time it would probably take you over an hour). But you get the idea, making money online is actually not that hard and anyone can start their own online business as long as they have internet access. Now this is no get rich quick scheme and obviously, not all online businesses can be set up in under an hour. But regardless of what kind of online business you want to make your money with, there are always amazing reasons to start your very own online business ASAP: Starting your very own online business takes very little start up costs. Unlike starting a business in the Real World, there is no rent to pay or equipment to buy when starting an online business. In fact, most online businesses can be started for under \$100! It's up to you to decide when and how much you work. You can choose to work every day, just on weekends or just 1 hour a week. It's all up to you! And the best part is, you won't even have to leave your home to get some work done :) The whole world is your market place! There are nearly 1 billion internet users worldwide, think that local grocery store could ever reach that many!? You're open for business 24 hours a day, 7 days a week and 365 days a year. So even when you are asleep, your business could be making you money and waking up richer and richer every day is an amazing feeling! You can do what you love! Even if you don't yet love online business, you can still make money online by selling or teaching people about something you already know a lot about and love to do. And because there are nearly a billion people currently using the internet, you will always find a ton of people interested in the same things as you are. You can have as many online businesses as you like! This is a big one, because instead of having 1 online business that earns you \$1,000 per month why not have 10 or 20 (you can do the math on that one)? Ok, hopefully now you see why starting your very own online business is just plain awesome. I mean work from home, easy to set up, open 24/7, get as many businesses as you want etc. But if you want to start making money online ASAP, you first need to know the basic fundamentals, proven methods and techniques and examples of what works in the exciting and extremely profitable online business world. And that is exactly what you'll learn in the Newbies Guide To Online Fortunes Here are the just some of the profitable things you are about to discover: Learn the basic fundamentals of online business and all the words and terms you will need to understand in order to get started (you'll need to know the basics before you can actually get started but the best part is you can do that in just a

few minutes!) The simple and easy way to start a profitable online business, all explained step-by-step. (This will take you from clueless, to actually knowing whats going on and drooling to start making an online fortune) Exactly how to set and achieve your online business goals and exactly how to choose the right online business type for you (After you do this, its almost time to get started on earning that online cash!) Exactly what to do if you dont have your own product to sell, or simply dont want to create one (Yup, you dont even need your own product and that is fine because there is a ton of ways to make money without it) How to identify your target market, or in other words: choose and identify the kind of people you are going to make your money from (this is one of the key steps in starting your online business) The key factors in selecting a domain name (web address) that will boost your profits and make your business look as professional and targeted as possible (your domain is basically your business name and address all at the same time, that is why it is very important to get this step right) Exactly how to use the right web hosting for you, In order to have your business online you need to have a web host to host it for you (its kinda like paying rent when you own a grocery or convenient store) How to get a simple and professional looking website without spending a fortune (the way you present your business to your potential customers is very important, that is why you should always take this part of your business as seriously as possible) Exactly how to make your website suck as much profit as possible from nearly every person that visits your site! ( the job of your internet business is to make you money by making people buy what ever it is you are selling this part of the guide shows you how to make your website do its job as efficiently as possible) A list of the best payment processors you can use in order to accept credit cards and other types of online payments. A step-by-step guide to publishing your very own news letter so you can make a ton of cash by promoting other peoples products to your loyal subscribers! Exactly how to start your very own online business ASAP by getting the resell rights to someone elses products (we already covered this briefly, but if you want to know more on how to set up your own online business as soon as possible keep reading!) A list of profitable business models you can follow to make your own online fortune (Want examples of what already works in the online business world? In this section youll get all the examples you need!) But MOST IMPORTANTLY, youll learn absolutely everything you need to know to start your very own profitable online business ASAP so you can start earning a comfortable income from the comfort of your own home without the stress and hassle of getting up to go to work every single morning!
