Details: Christian Hansen the Autistics! were formed in the Fall of 2007 in Edmonton Alberta Canada. After playing many local shows, doing a Canadian tour, rocking the CBC and playing New Music West, they wanted to dance. So, they destroyed their acoustic guitars, and drum kits, did the Wild Rose cleanse, watched the Breakfast Club and wrote a bunch of new songs designed to make people move. Quickly gaining a reputation as one of Edmonton's best live acts, Christian Hansen the Autistics put on a show that entertains and inspires, appealing to both the Richard Simmons and Jello Biafra in everyone.
