

Ravenna Gets - Tony Burgess

[DOWNLOAD HERE](#)

From the author of Pontypool Changes Everything, Ravenna Gets is a new collection of "wheeled" stories that continue the author's exploration of "apocalypsection." In a single convulsion of homicide, the population of Ravenna tries to erase the population of Collingwood. The innocent, standing in their living rooms, cooking in their kitchens, and playing in their yards, are simply checked off by hunting rifles or crossed out by farmers' tools. There is one thing missing, however, as the bodies fall from what might have been better stories, better novels, and it's this: everything.
