Ian James was raised in the lap of luxury, but he was also raised knowing that nothing worth having comes without working for it. Expected to follow in his father's footsteps and take over the law firm one day, Ian works as an errand boy during the summer months between high school and college. One of those errands sends him to a very young, very wealthy, and very sexy widow who has plans of her own for Ian. When Ian discovers that older, wealthy women will pay him for sex, becoming a lawyer is no longer in his future. Gillian Carmichael needs a vacation, so when her best friend, Sylvia suggests she accompany her back home to Chicago, Gillian accepts. But when Gillian meets Sylvia's brother, Ian, the attraction is instant. There's just one little thing standing in the way . . . Excerpt: Ian flicked his tongue over Judy's clit. Her body tensed and another moan fell from her lips. "That's it baby, come in his mouth," Tracie whispered. She tugged Judy away from Ian and gently pushed her onto her back. "Let's see who you like better." She pulled Judy's legs apart and positioned herself between her thighs. Turning to Ian she said, "Get on your knees and fuck me from behind." Ian scrambled to his knees between Tracie's legs while the woman dived face-first into Judy's wet cunt. Although still nervous after what had just

happened, he brushed his hands over Tracie's ass. He'd never touched a woman before and he certainly had never fucked one. Entertaining fantasies while jacking off in his room didn't count. "Slam your dick into me, damn it," Tracie said. Ian slid his hands over her ass cheeks until he reached her pussy. He rubbed his thumbs back and forth over the slick folds of skin until he found the spot to place his dick. Holding his cock in one hand, he rubbed the head up and down over her cunt until the head slipped inside. Ian's breath caught and his heart beat wildly as he slid the rest of his shaft into her. Her hot, wet pussy wrapped around his dick and she sucked him deep inside of her. He held her by the hips and slid in and out of her, his rhythm increasing with every stroke. He pounded her hard and heard his heavy sack slap against her bare skin. In the back of his mind, he heard Judy emit a loud cry, and Tracie moaned, but he barely registered the sounds. With his eyes closed and his body tense, the only thing he felt was his dick sliding in and out of her warm, wet pussy. He came with such force he arched backward, then forward and fell into Tracie, who collapsed on top of him. The trio panted, slick with one another's sweat. For the rest of the summer, Ian arrived at the mansion every Saturday and spent the night, and most of Sunday. The trio rolled around in bed, on the floor, in the pool, and anywhere else the mood struck. The women instructed Ian, and he eagerly followed their lead. Judy paid him five hundred dollars a week, and by the end of summer, several of the women's friends had learned of the little tryst. Ian had a fulltime job keeping them all serviced. By the time he started college, he was earning two grand a week. With no other choice but to go to law school, Ian knew his father would settle for nothing less than to have his son follow in his footsteps. Between semesters Ian continued seeing Judy and Tracie, along with a number of other women. By the time he'd earned his law degree, he knew he could make more money as an escort than he could as a lawyer. He also knew his looks wouldn't last forever; so having something to fall back on wasn't bad either.
