Three unlikely friends unwittingly unleash the horrors of hell in a vain attempt to boost their plummeting grades. Duped by their scheming professor, the friends summon Zuphreen and command the evil demon to enhance their lives with his gifts. But the gifts soon become curses and the friends watch in horror as they slowly turn into monsters. In a desperate race against time, the students must undo the curses and defeat the demon before the "gifts" destroy them forever. How far would they go to lift these curses? How deep would they sink to save themselves?
