

A Tale Of Love And Darkness - Amos Oz

[DOWNLOAD HERE](#)

Tragic, comic, and utterly honest, this extraordinary memoir is at once a great family saga and a magical self-portrait of a writer who witnessed the birth of a nation and lived through its turbulent history. It is the story of a boy growing up in the war-torn Jerusalem of the forties and fifties, in a small apartment crowded with books in twelve languages and relatives speaking nearly as many. His mother and father, both wonderful people, were ill-suited to each other. When Oz was twelve and a half years old, his mother committed suicide, a tragedy that was to change his life. He leaves the constraints of the family and the community of dreamers, scholars, and failed businessmen and joins a kibbutz, changes his name, marries, has children, and finally becomes a writer as well as an active participant in the political life of Israel. A story of clashing cultures and lives, of suffering and perseverance, of love and darkness.
