Emotional, powerful and poetic Hip Hop at its finest. 3rd Party (Farbeon, Hired Gun, Rabbi Darkside) Breathing life and meaning into Hip Hop culture, 3rd Party is a simultaneous return to the golden era and leap into the future. Genre-bending music and mind-bending lyrics fuse to create something distinct, unique, progressive and positive. Their debut release, Pressed For Time (4 stars, URB Sept. 05), has led to appearances at a number of national festivals and universities, where their energetic and engaging stage show has won them an international following. Their long-running monthly residency at the Bowery Poetry Club in NYC has spawned collaborations with a range of musical legends, from Wordsworth to DJ Rob Swift to The Last Poets. This collective of artists/educators splits their time between youth development work, political activism and Hip Hop creativity, united by their music. DJ Center (Giant Step Records, 06 URB NEXT 100) Meet the most talked-about, sought after DJ in NYC. This trans-Atlantic sound system smasher has been on fire as both

DJ and producer, finding distribution for his top-selling mixtape Feeling What Im Feeling with Giant Step Records, while also shining as a beatmaker, remixing for Si Se, among others. DJ Center has a radio show on the Giant Step Jukebox entitled Music Lounge Radio (giantstep.net), updated bi-weekly. Check him out as he continues to fly sky high.
