jazz/blues influenced acoustic folk music 10 MP3 Songs FOLK: like Joni, FOLK: Political Details: "Alice's music has that great combination of earthiness and groove that keeps it funky from the inside out. She's for real." - Bonnie Raitt Alice is continuing on a fruitful musical journey, as this 1992 release demonstrates. Her rich, sweet, emotive voice rides and caresses her beautiful melodies and messages of love, caring, concern and passion. Her topics her are the earth (her land and her creatures) love (she writes sweetly about the long-term kind as well as the discovery of love), desire, domestic violence, the Gulf War (Land of Broken Promises). Some lovely violin accompaniment in addition to the guitars/bass/percussion. The title of That Sweetness, the closing song, probably sums up the album in two words.
